"Strength Through Unity"

President's Message

Dear PCTA,

As we close out another school year, I would like to continue to extend my deepest gratitude and respect to each of you. Your dedication, resilience and commitment to your students and our community as a whole is making a long-lasting impact. You inspire growth, you spark curiosity, and you create safe places for our students where learning takes place. As summer break is around the corner, however you plan on spending your time this summer, whether it is resting, recharging, traveling or even working with our students and curriculum writing, reflect on what you do and be proud of yourselves for your unrelenting dedication and devotion to our students.

The PCTA does not just recognize your efforts and accomplishments. PCTA is constantly advocating for each and every one of us. I would like to thank every Union Officer, Building Representative, and Health and Safety Representative who go above and beyond, and sometimes unnoticed for the hard work they do each and everyday behind the scenes. As your PCTA

President, I can say this team is dedicated to our entire membership, and I could not be more proud of all of them. Thank you to our entire PCTA Executive Board!!!

Again, thank you all for what you do, day in and day out, for our students. Enjoy your summer and I look forward to seeing you all when we return for an exciting new school year.

Chris

Health & Safety Update:

The PCTA Health and Safety Team was busy throughout the year! We addressed leaks, extreme classroom temperatures, and implemented new safety procedures and protocols.

Your reps look forward to attending summer/fall courses through NYSUT to ensure that union members have a better understanding of Health and Safety laws. New York State has enacted legislation (September 1, 2025) setting maximum classroom temperatures for public schools. Be on the lookout for new implementation guidelines in the fall.

Special thanks to [Yvette Vera-Pignato](#), [Tom Moravick](#), [Kathleen Farley](#), [Christine Alessi](#), [Mirjana Lezaja](#) and [Maureen Gallo](#) for always going above and beyond! Happy Summer! [Melissa Coletti](#)
